

ACKNOWLEDGEMENTS

The satisfaction and euphoria that accompany the successful completion of any task would be incomplete without the mention of the people who made it possible, whose constant guidance and encouragement crowned our effort with success.

We express our sincere gratitude to our principal Dr. N. Venkatarathnam Naidu, M.S Ramaiah Institute of Technology for providing the required facilities for the project.

We wish to place on record our grateful thanks to Dr. R. Selvarani, Head of the Department of Computer Science & Engineering, MSRIT, for providing great encouragement and guidance.

We hereby like to thank Dr. VIJAYA KUMAR B.P for his periodic inspection, time to time evaluation of the project and help to bring the project to the present form. Also we thank the members of the faculty of CSE department whose suggestions enable us to surpass many of the seemingly impossible hurdles.

We lastly like to thank all our friends who have directly or indirectly helped us in the course of this project.
